

2,210 Disciple-Makers Equipped Thanks to You!

Just look what God did with your gifts to TMS Global over the last fiscal year (June '25 to May '26).

Train

Equipping disciple-makers to live and share the gospel cross-culturally as humble learners in local and global communities

- A major gospel milestone for the 371,000-member Samburu people group in northern Kenya: their status shifted from unreached to significantly reached. We were honored to play a part through our disciple-making partnership with God's Grace for All Nations.
- Maclin trainings in Panama and Kenya equipped 73 trainees, ages 15–70, representing 16 distinct countries and 9 different Kenyan tribes. These trainees serve in ministries reaching 22 different countries, 19 different tribes, and 6 least-reached people groups.
- 16 Kenyan disciple-makers were equipped as facilitators to multiply the training.
- 402 non-Westerners were trained in partnership with the Across Alliance.
- 20 Kenyan and American pastors in Thrive addressed key indicators of burnout using the Harvard Flourishing Assessment to reduce ministry attrition.
- 26 cross-cultural witnesses serving in 8 countries were equipped to lead, develop, and care for others through 18 hours of leadership training and 4 months of 1:1 coaching.

This changes everything. It's not just that He died on the cross. It's not just that He gives us eternal life and He cleanses us now and forever, but also because He is resurrected, we have purpose and we have hope...reason for living.
